

**Warning:** Hinting too strongly that you want the new Nikon Coolpix S1 digital camera could be perceived as groveling. And may result in not getting one.

Nikon's Exclusive Feature System offers more picture taking ability than any other Slim Camera.

2.5" LCD screen | 5.1 effective megapixels | 3X optical zoom

**Here's a reminder that won't be overlooked.**  
 Assemble your own Nikon Coolpix S1 digital camera: Cut out the model along the dotted lines. Slice the tab openings (solid black lines). Fold the camera into a box. Insert the tabs. Use glue or tape as needed. And you're done! For more information, go to [www.nikondigital.com](http://www.nikondigital.com).
